- You have until **Monday, December 5, 2022 (11:59PM Anywhere on Earth)** to (optionally) respond to the reviews.
- You must submit a single response that addresses all reviews (not one response per review). The author response is
- 3 limited to a single page in PDF format, including all figures, tables, and references, and has to use the AISTATS "author
- 4 response" style that accompanies this tex-file. You may not alter this style file; in particular, you may not change
- 5 the paper size, font, font size, or margins. Moreover, author responses must not contain external links, and must be
- 6 anonymized.
- 7 Please focus your response on either answering specific questions raised in the reviews or correcting any misunder-
- 8 standing or factual errors in the reviews.
- 9 You can change your response as often as you like until the above deadline. Please note that this deadline is strict and
- we encourage you to submit your response early so as to avoid technical issues. Please be aware that the deadline is
- 11:59PM Anywhere on Earth.
- To include a figure in your response, the following LaTeX code is a possible solution:
- 13 \begin{minipage}[b]{0.3\linewidth}
- 14 \includegraphics[width=\linewidth]{path_to_figure}
- 15 \captionof{figure}{figure_caption}
- 16 \end{minipage}
